Join ADI Burnaby and your favorite manufacturers including Axis Communications, Milestone Systems, Transition Networks and Keyscan for an exciting day of IP networking presentations. Interact with today's cutting-edge manufacturers and check out their tabletop exhibits and new product introductions.

Axis Communications – Demystifying IP Video | 9am

- Five reasons to switch to IP technology • Cost reductions, ease of installation

Milestone Systems – Best-Of-Breed Solutions | 10am

- Open platform IP video management XProtect™ software • Reducing costs, optimizing processes
- Value-added integration with the latest network devices

Transition Networks – Your Network Over Fiber | 11am

- The benefits of fiber optics • Supporting multiple platforms • Managing network traffic reliably

Keyscan – Forward Thinking | 12pm

- Whether your customers have a single site with a double door entrance or multiple sites with 200+ doors, Keyscan has access control solutions with no limits on how far you can expand your system

Continental breakfast, snacks and lunch will be provided!

Space is limited, reserve your spot by contacting ADI Burnaby today.
